Summary

My name is Gigi Michele, I'm a teen model and actress from Wisconsin. I'm passionate about everything that I do and enjoy high fashion, editorial, glam, and almost any other kind of shots! I love the runway as well and will be walking in Milan and Paris fashion week 2021. I want to spread the message to other youth to work hard and believe in your dreams and the opportunities that are meant for you will present themselves.

Education

John Casablancas Modeling and Career Center
